

**Wagons *HO!***  
**To the BCA Heartland Regional meet**  
**July 2018, Cedar Rapids, IA!**

*Buick has a long history of making powerful and great looking station wagons. **We want you to bring yours** to the BCA Heartland Regional meet July 19-21 in Cedar Rapids, IA. To celebrate the arrival of the 2018 Regal Tour X wagon, the first Buick wagon since the Roadmasters of the 1990s, we're planning a special celebration of historic Buick wagons. We'll have a special display, and special awards for every wagon at the show!*

***Of course, we welcome every Buick to the Heartland Regional show. Bring yourself, your friends, and your Buicks to our great Buick party this July in Cedar Rapids, Iowa at the beautiful Cedar Rapids, Marriott.***

*See the attached flyer for registration, show, and hotel information.*
